

# History

Ochsner Medical Center – Baton Rouge’s 95-acre campus is located at I-12 and O’Neal Lane. Our fully accredited facility provides patients the comforts of home with 200 beds – all in private rooms. In addition, patients have access to an outstanding staff including more than 300 physicians and the area’s most dedicated nurses. To truly serve our patients we are committed to offering the latest in medical technology.

Ochsner Medical Center – Baton Rouge is the first facility in the region to offer robotic surgery for gynecological patients with the use of the da Vinci® Surgical System\*. This ground-breaking medical device allows physicians to perform intricate operations through smaller, less invasive incisions resulting in quicker recovery times, and improved results for our patients.

At Ochsner, you can have healthcare with peace of mind. We are here to serve the Baton Rouge community and want patients to be confident in their choice to come to Ochsner and be comfortable and secure with the care they receive. To find a physician call the Physician Referral Line at 1.866.377.8664.
