Ochsner™
Medical Center – Kenner

The Future of Diagnostic and Outpatient Care is Here Today

Introducing Ochsner Kenner Outpatient Diagnostic Center where **Superior Customer Service** is the number one goal.

Easy Scheduling

A centralized call center makes scheduling appointments easy. Efficient staff members help patients schedule single or multiple appointments.

Improved Diagnostic Capabilities

Advanced technology and high equipment standards ensure faster and more accurate results.

Faster Test Results

Ochsner Kenner Outpatient Diagnostic Center knows that waiting for test results can be extremely stressful. The Ochsner goal is to turn tests around in the shortest amount of time with the highest degree of accuracy.

Greater Patient Satisfaction and Loyalty

Ochsner Kenner Outpatient Diagnostic Center treats each patient as a guest. A relaxed environment, friendly and knowledgeable staff, and unique amenities such as a children's play area, convenient parking, private changing rooms and more make the Ochsner Kenner Outpatient Diagnostic Center the perfect choice for quality care.
